Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant and Examiner discussed proposed claim language that described an external device that is external to the circuit board. Examiner noted that ~~applicant~~ the language did not make the external device necessarily external to the semiconductor integrated circuit. Examiner also suggested adding "removable" language to the external device to distinguish over the prior art of record.
